FSJM · YEAR 4 · PUZZLE 1

The chocolate box

Cut out the chocolates and try to fit as many as you can in the box

Print at actual size (100%)

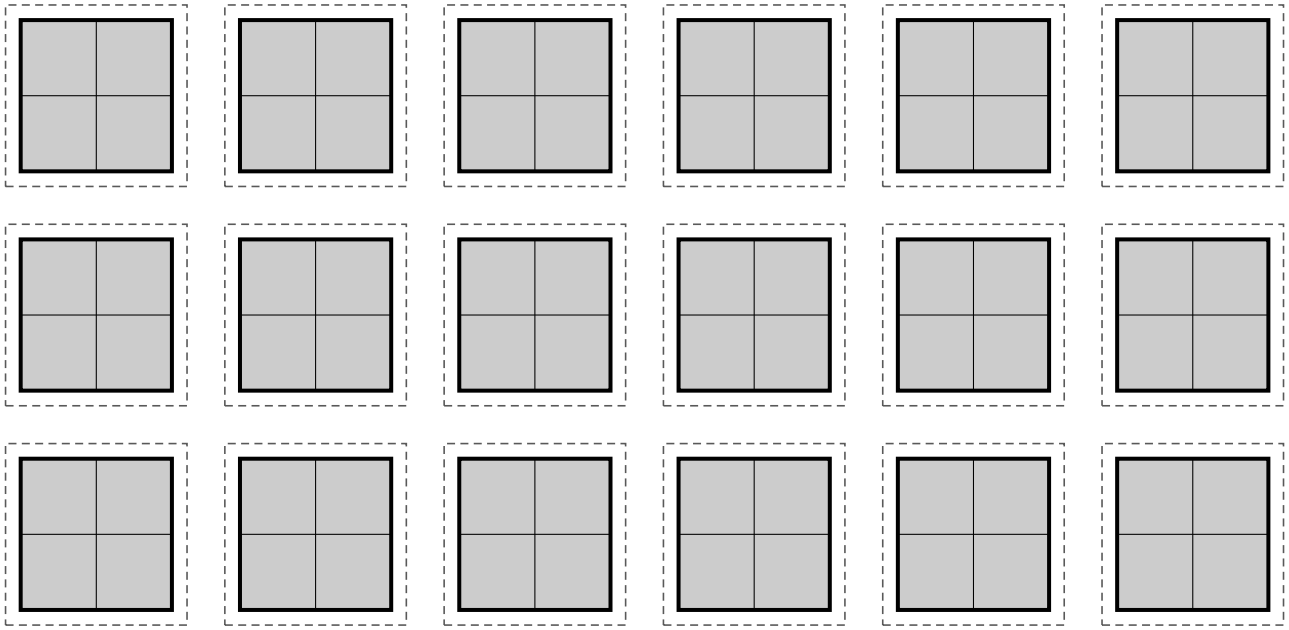

The box: 7 cm by 7 cm

Each chocolate is a square,
2 cm by 2 cm

Chocolates lie flat, in one
layer, inside the box

Can you turn a chocolate
to fit one more in?

✂ Cut out the chocolates
